Nostramo Security Crew Basic Beanie

by Kyle Cassidy

In space, no one can hear you shiver. IF you're wearing the **Nostramo Security Crew Basic Beanie**, because even in the cold, dark, moist, lower decks of your commercial towing vehicle, your head will be warm. The 3.5 inch 2x2 ribbing protects your head from xenomorph attacks and the simple knit pattern for the remainder of it will enable you to knit them quickly while also performing your space duties and outfit your entire crew (including androids), especially around the holidays when everybody thinks you want to knit something for them. This one skein hat fits most adult head sizes.
